MASON COUNTY'S BIG FAIR!

THE THIRD DAY'S SUCCESS. The Crowd Exceeded the Day Before by Fully 1,000.

THE FAIR WILL CLOSE TODAY.

The attendance at the Mason County Fair this year grows each day, yesterday being the largest yet. The people are certainly appreciating the care which the management, at great expense, took in arranging a perfectly clean Fair. The attractions were on the order of the preceding days—racing, stock shows and Dr. Carver's peerless exhibitions—and those who were out were more than pleased with the entertainment. The show rings were pronounced by some who were capable of judging to be the best shown in this section for years. There were six entries in the show of harness and roadster, mare or gelding, four years and over, and for awhile it seemed to be a tie between Stroude Bros. and C. E. Biggers, the former finally being awarded the premium. The Floral Hall, where the exhibitions are by far the best ever shown in this department, is receiving its full share of attention. Miss Amy Phister and Miss Mary Oldham have charge of this department, and it is due largely to their good taste in the arrangement of articles that the Floral Hall is so much of a success. During the day there were premiums awarded as follows: PREMIUMS AWARDED. Saddle Girdings. Best saddle gelding four years and over, \$10; J. R. Struve, Mt. Olivet. Shorthorn Cattle. Best Shorthorn bull two years and over; first, Duke & Poage, Mayslick, \$10; second, W. H. Durrett, Mason county, \$5. Question Answered. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
